

The Emmaus Vocation Journey

-journey of discovery of your vocation in life-

Who?

It is for any young person (male or female; 18-35 or so) who wants to live the Gospel more fully, and who wants to discover the call of God in his or her life.

What?

You are invited to set aside five afternoons, and one weekend, between October 2007 and March 2008, to take part in a journey of discernment.

Each of the Saturday mornings will include:

- some quiet prayer using the Scripture,
- a short presentation on a theme related to vocation, followed by discussion to include: What is the Word of God?
- What is a Vocation? Religious life, Priesthood today.
 - Mass followed by a light meal.
