

Update on Church Pews

Dear Parishioners, thank you to all who have contributed towards the restoration of the Pews in our three parish churches. The total cost is €35,980. To date we have received €16,048. So we are almost half way there already! We still have some way to go so please keep up those contributions.. I think you will agree that this work has been well worth doing. There are Donation Envelopes in all Churches, please take one and if you are in a position to help, we would be grateful indeed.
